PRESS RELEASE FOLLOWING FATAL ACCIDENT OF 17TH APRIL 2007

The KTP wishes to extend its condolences to the families of the victims of the tragic accident which occurred on a building site in Hamrun on the 17th April.

The Council of the Kamra exhorts its partners in the Building Industry to persevere in a common drive of education of all the players at all levels in the field, for the implementation of proper and adequate safety measures at work. It also expresses its continued support of the need of the State to provide the OHSa with the necessary resources to fully carry out its statutory duties. It is hoped that, in near future, it will not be necessary to resort to the rhetoric of such statements after an accident has occurred.
